Counter Server

Description
We are a casual, locally owned restaurant. We are looking for outgoing employees to provide a great experience to our customers. Potential candidates must have great interpersonal skills and a welcoming personality. Your responsibilities include but not limited to: greeting customers, taking orders, answering phone calls, serving food to our guests, maintaining and cleaning the lobby, expediting food accurately, and fry station duties. Candidates must be able to follow procedures, work well in a fast paced environment, and also work well with others. Previous food service & hospitality experience is preferred. Must have weekend and break availability. Candidates must also be tolerant of foreign languages being a multicultural place of business. Thanks!
